Psalm 104:24 NLT

O Lord, what a variety
of things you have
made!

In wisdom you have
made them all.
The earth is full of
your creatures.

**Meet Our
Speaker**

Stacy Nuttall has been doing children's ministry since high school in her hometown of Watertown, SD. She graduated from North Central University with a B.A. in Children's ministry in 2013 and after that went on to be the children's pastor in Stillwater, MN and then Indianapolis, IN. During her time in Indianapolis, she was also the Girls' Ministry Director for the state of Indiana. Stacy moved back to Minnesota last year and is pastoring alongside her husband in Eagle Bend, MN. Stacy has two young boys, Ezra and Isaiah, and is blessed to be their mother. She has a passion for children's ministry and seeing kids grow in their faith and become lifelong followers of Jesus.

**Our Missions
Project**

The Coins for Kids project this year is Africa Oasis. Africa Oasis exists to provide bucket water filters and water education to families across Africa. They partner with church members who volunteer for this ministry and go door to door in their community, distributing the filters, teaching how to use and care for them, and presenting the exciting news of the living water: Word and deed!
