- 1) Procedure for Recognition. All District Council Affiliated Assemblies who fulfill the following qualifications and desire to become a General Council Affiliated Assembly shall follow the procedure as outlined in General Council Bylaws Article VI Assemblies, Section 1. Procedure for Affiliation.
- 2) Qualifications for Recognition.

 - b) Statement of Fundamental Truths. An acceptance of the Assemblies of God Tenets of Faith. (See District Articles of Incorporation Article IX).
 - c) Acceptable Standards of Membership. A scriptural standard of membership determined by the local assembly.
 - d) Acceptable Standards for Pastoral Leadership. Make provision for a pastor who is a credentialed minister in good standing with the General Council and /or a District Council.
 - e) Acceptable Standards for Church Officers. A scriptural standard for deacons and other officers in positions of leadership in the local assembly. Since the New Testament restricts divorced and remarried believers from the church offices of bishop, or elder, and deacon, we recommend that this standard be upheld by all our assemblies (Titus 1: 5 -9; 1 Timothy 3:12), except when the divorce occurred prior to conversion (2 Corinthians 5:17) or

for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9) or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15) or in the case of domestic violence by a spouse to a spouse or child (Psalms 11:5; 146:5-9; Proverbs 6:16; Isaiah 1:16-17; Ephesians 4:1-3, 31-32; Ephesians 5).

- f) Incorporation and Bylaws. The meeting in which an assembly shall be set in order shall be presided over by an Officer of the District who shall assist the assembly in the adoption of Articles of Incorporation and Bylaws acceptable to the District.
 - g) Membership Certificate. Upon notification by the District of the action, the General Secretary's office shall issue a certificate of affiliation to each church coming into the Fellowship, and which has been approved for General Council Affiliation.
- 3) Prerogatives and Privileges.
- a) Autonomy. The right of self-government under Jesus Christ its living Head, which includes the power to choose or call its pastor, elect its official board, and transact all other business pertaining to its life as a local assembly.
 - b) Limits to Autonomy. While the fact that a local assembly is affiliated in the association of a District Council or the General Council of the Assemblies of God shall in no wise destroy its rights as above stated or interfere with its autonomy, there are certain responsibilities to the Fellowship that should be recognized.
 - 1. Adherence to General Council Principles and Doctrine. It shall be the duty of local assemblies to support by every means possible the basic principles upon which the Fellowship is founded, including that of "voluntary cooperation," and strict adherence to the Statement of Fundamental Truths.
 - 2. Maintenance of Scriptural Order and Conduct. Local assemblies shall accept their full share of responsibility for the maintenance of Scriptural order in the local body, and uphold a Scriptural standard of conduct.
 - c) Available Ministries. The local assembly is encouraged to request the assistance of the District Officiary in filling a pastoral vacancy.
 - d) Discipline. The local assembly has the right to administer discipline to its members according to the scriptures and its bylaws.
 - e) Property.

1. The Local Assembly has the right to acquire and hold title to property, either through trustees or in its corporate name as a self-governing unit.
2. In case the congregation should cease to exist as a church body and ceases to use its property for church purposes, then the property is to revert to and become the property of the Minnesota District Council of the Assemblies of God. Moneys received (after all debts have been paid) from the sale of closed church properties shall be deposited in the restricted Home Missions Fund.
3. In case the congregation should be divided over doctrinal or any other issues, or shall vote to disaffiliate from the Assemblies of God, all property and assets of the assembly shall remain with those members, whatever their number, desiring continued affiliation with the Assemblies of God and adhering to its Statement of Fundamental Truths. The determination of which group of members desires continued affiliation with the Assemblies of God and adheres to its Statement of Fundamental Truths shall be decided by the District Presbytery of the Minnesota District, and its decision shall be final and binding. If all of the members of the local assembly shall vote to disaffiliate from the Assemblies of God for doctrinal or any other reasons, then the ownership of property and assets shall be determined by the mutual efforts of the assembly and the District Presbytery.

Any and all unresolved questions regarding property and assets shall be determined through a mediation process--one mediator chosen by the representative(s) of the assembly, one by the District Presbytery, and the third mediator chosen with the approval of the representative(s) of the assembly and the District Presbytery. If the assembly does not participate in the mediation process, then all matters in question will be referred to the District Presbytery for final disposition.

f) Appeal.

1. To District Officiary. The pastor, the board, or the church body by petition has the right to appeal to the District Officiary for help when in need of counsel or advice.
2. To District Presbytery. The local assembly has the right to appeal a decision by the District Officiary to the District Presbytery of the Minnesota District of the Assemblies of God when there is a question whether or not the assembly has received proper help from the District Officiary.

3. To General Council Executive Presbytery. The local assembly has the right to appeal a decision by the District Officiary to the Executive Presbytery of the General Council of the Assemblies of God when there is a question whether or not the assembly has received proper help from the District.
 4. To General Council General Presbytery. When exceptions are taken to the decisions of the Executive Presbytery, either by the local assembly or by the District Presbytery, appeal may be made to the General Presbytery. Their decision shall be final.
- g) Representation. The right to be represented at all General and Minnesota District Councils by one officially appointed and registered delegate. See General Council Constitution Article VII, Section 3 and Minnesota District Articles of Incorporation Article VIII.
- 4) Responsibilities.
- a) World Missions Policy. See Article VIII, C) Local Assemblies.
 - b) World Ministries Support.
 1. Credit. Assemblies of God Total Giving recognition shall provide credit to Assemblies of God churches for contributions to the Fellowship Partners plan for support of the General Council; Assemblies of God World Missions, Assemblies of God U.S. Missions, Benevolences Ministries, Christian Higher Education (including educational institutions), Church Ministries (including men's women's, church music, youth, and senior adults), General Administration (including executive and Spiritual Life offices), and other General Council regional and District sponsored or approved projects, and parent churches for satellite startup costs, up to six (6) months, including property (facilities and equipment), promotion, personnel (pastoral selection and moving expenses). Contributions from districts other than where a district-approved project is located can be granted Assemblies of God Total Giving credit only if the district where the contribution originates gives its approval and if the contribution is channeled through that district or the national office. It is expected that the national office division or department related to a given project will be notified of approved projects. It is also understood that no District or region may receive Assemblies of God Total Giving credit for projects specifically disapproved by the General Council.
 2. Regular Support of Churches Encouraged. In order to support and develop the work and ministries of the Assemblies of God at home and

abroad, all its churches shall be encouraged to send offerings at regular intervals. All designated offerings for departments shall be World Ministries Giving.

- c) Annual Reports. Each church of the Assemblies of God shall be requested to keep an up-to-date record of its membership and a report of the same shall be sent annually, on forms provided, to the office of the District Secretary and the General Council Secretary.
 - d) Safeguarding the Assemblies.
 - 1. Pastors and leaders of assemblies should make proper investigation regarding persons who seek to gain entrance to teach, minister, or pastor. Use of the platform should be denied until spiritual integrity and reliability have been determined. It is recommended that Assemblies of God churches use Assemblies of God ministers since the use of non-Assemblies of God ministers may bring confusion and problems detrimental to the Fellowship.
 - 2. No minister dismissed by the Assemblies of God may be allowed to pastor or have ministry in an Assemblies of God church. Pastors and District officials should maintain an exchange of information regarding dismissed ministers known to be seeking ministry in our assemblies.
 - e) Transfer of Local Church Membership.
 - 1. It is recommended that members request a letter of introduction from the church of which they are a member to be sent by mail to the church with which they desire to affiliate.
 - 2. It is recommended that the receiving church shall give an acknowledgment of transfer to the former church.
 - f) Support. It is recognized that for any organization to survive and serve effectively it must have the moral and financial support of its constituency. The entire District program should be supported by the local assembly and financial support should be according to the policies of the District.
- 5) Intervention of District in a Local Assembly.
- a) Circumstances Requiring Intervention. While the right of a local assembly to self-government is a basic General Council principle, it is also recognized that the assembly has a responsibility to the District Council and General Council, and both have a responsibility to the assembly. Some of the circumstances which require intervention by the District Officiary are as follows:

1. Division resulting in disruption
 2. Assumption of dictatorial authority by the Pastor or Board
 3. Prolonged absence of pastoral leadership
 4. Deviation or departure from Assemblies of God principles and practices
 5. Attempt to disaffiliate from Assemblies of God Fellowship
 6. The inability of the local assembly to provide qualified leadership to be self-governing and/or the inability to sustain financial solvency.
- b) Intervention Procedure. The District has the right to call and conduct a meeting(s) with the board and/or congregation, or the District Officiary may be extended an invitation. This can come about in the following ways:
1. By the request of the Pastor
 2. By action of the Board
 3. By petition of 30% of the voting members of the congregation

The petitioning process and delivery to the District Council should take no more than thirty (30) days in total to complete. When the District Officiary receives such request, it is recommended they first verify that scriptural principles of reconciliation, such as those found in Matthew 18:15-17 and 1 Timothy 5:19, have been reasonably attempted by the requesting party in situations involving interpersonal conflict. District Officers shall respond by investigating problems and, if necessary, recommending remedial actions to the District Executive Presbytery. At its discretion, the District Executive Presbytery may act to bring the church under District supervision, and when necessary, revert it from General Council status to District Affiliated Status until the governing entity considers the problem resolved.

- c) District Supervised Church. In the event that the circumstances which require intervention by the District Officiary are not able to be resolved to the satisfaction of the District Officiary in a meeting with the Board and/or congregation, the District Officiary, with the unanimous ratification of the Executive Presbyters and the District Presbyter of the section, shall be authorized to place that local assembly under District Supervision as a "District Supervised Church." A District Supervised Church is defined as a church that has come under District supervision by their own act or at the

initiative of the District Officiary, with the unanimous ratification of the Executive Presbyters and the District Presbyter of the section. The process and procedure of the supervision of such a District Supervised Church shall be conducted according to the guidelines established by the Executive Presbytery which are contained in the *Minnesota District Operations Manual*.

- 6) Discipline of Assemblies. Since the approval of an assembly is the prerogative of the District and General Councils, and is indicated by the issuance of appropriate certificates of affiliation, the Minnesota District Council of the Assemblies of God has the right to request a meeting with the assembly if for some valid reason its status is in question. The General Council of the Assemblies of God has the right to withdraw its certificate of membership if deemed necessary.
- 7) New Assemblies Resulting from a Division.
 - a) Status of Assembly. When efforts to maintain unity and harmony in an assembly have failed, and a division results in a new congregation being formed, the District should exercise strong and wise leadership in ascertaining the facts and seek to preserve Assemblies of God adherents for the Fellowship. The District should seek to retain any meritorious group within the Assemblies of God within the bounds of ethical principles, sound doctrine, and District policy.
 - b) Status of minister. Circumstances of the occasion would determine whether the minister should be disciplined or denied ministry in either the original church or the dissident group or even residency in the area where the division occurred. If a minister is guilty of inappropriate conduct resulting in a split and/or an attempt to disaffiliate with the Assemblies of God, the District Presbytery shall deal appropriately with him as provided in Article X,, Section 3, of the General Council Bylaws.
- 8) Private Ownership of Church Properties Disapproved. The General Council disapproves of the ownership of any church properties by other than the entire church body through its duly elected trustees.
- 9) Guidelines for Minimal Membership for General Council Affiliated Assemblies. When the membership of a General Council affiliated church falls below 20 active voting members, it shall seek the assistance of the District Officiary for help in maintaining the minimal requirement for General Council affiliation. If after 1 year the minimal number of 20 members is not attained the church shall revert to District Council affiliated status, unless an exception has been granted by the district in accordance with the provisions of General Council Constitution Article XI, Section 1, paragraph a, subparagraph (3). The church shall remain in a District Council affiliated status until it again meets the standard for affiliation

as a General Council affiliated church as provided for in Article XI, Section 1 of the General Council Constitution.

B) District Council Affiliated Assemblies.

- 1) Procedure for Recognition. It shall be the responsibility for the District Officer to determine when a District Home Missions Assembly has reached a state of growth, stability, and maturity qualifying it for affiliation with the Minnesota District Council of the Assemblies of God. All aspects of this Assembly shall be the same as those outlined in Bylaws Article VI Local Assemblies, A. General Council Affiliated Assemblies, except as otherwise noted in this portion of the Bylaws.
- 2) Qualification for Recognition.
 - a) Membership of Less than 20 Persons. A District Council Affiliated Assembly is one that has less than 20 active, voting members. The fact that an assembly shall have attained a membership of 20 or more active voting members shall not in itself qualify it for General Council Affiliation status, but the District Officer shall make the judgment in the light of other factors related to its maturity.
 - b) Other Requirements. A District Council Affiliated Assembly must be capable of being self-governing and financially solvent.
- 3) Prerogatives and Privileges.
 - a) Request for Help from the District Officer. The pastor, the board, or the church body by petition has the right to appeal to the District Officer for help when in need of council or advice. Their decision shall be final.
 - b) Representation. The right of representation at any meeting of the members of the Minnesota District by an officially appointed and registered delegate. District Council Churches are presumed to be represented at a General Council by their pastors, provided that the pastor is a Member of the General Council of the Assemblies of God.
 - c) Certificate of Affiliation. A certificate of affiliation will be issued by the Minnesota District Council to an assembly that qualifies for District Council Affiliation.
- 4) Guidelines for Minimal Requirements for District Council Affiliated Assemblies. When the membership of a District Council affiliated church falls below 20 active voting members and it is no longer capable of being self-governing and/or financially solvent, it shall seek the assistance of the District Officer for help in maintaining the minimal requirement for District Council affiliation. If after 1 year the minimal requirements are not attained the church shall revert to District Home Missions status. The church shall remain in a District Home

Missions status until it again meets the standard for affiliation as a District Council affiliated church as provided for in Article VI, Letter B of these Bylaws. An application for same shall be filed with the District secretary and approved by the District Presbytery.

- C) Parent Affiliated Assemblies. A Parent Affiliated Assembly is defined as a church which is under the supervision of a parenting church. A Parent Affiliated Assembly shall be governed in accordance with the parenting church's Articles of Incorporation, Constitution (if any) and Bylaws.
- D) District Home Missions Assemblies.
- 1) Definition. All new and existing works that are not capable of being self-governing and/or financially solvent within the District. Any new work started during the decade of the 1990's shall also be known as a Decade of Harvest Church
 - 2) Structure.
 - a) The Pastor. The pastor is to be appointed by the District HM Steering Committee, from recommendations by the Section HM committee, and ratified by the District Executive Presbytery, usually for a 3-year period, and reviewed annually.
 - b) The Official Board. The Official Board shall consist of the Pastor, a representative from the Parent Church/Primary Partner Leadership, a representative from the District Church Health Team, the Section Presbyter or a representative appointed by him and any other additional representatives approved by the Official Board.
 - c) The Advisory Committee. The official board may at its discretion appoint 3 to 5 regular attendees of the Assembly to act in an advisory capacity to the pastor and help the pastor with the day-to-day management of the church.
 - 3) Prerogatives and Privileges.
 - a) Incorporation. All District Home Missions Assemblies shall be incorporated as early as possible with guidance from the District Officers.
 - b) Trustees. The Official Board shall act as trustees of the Assembly and have General oversight of the assembly.
 - c) Title to the Property. The Title to the property of a District Home Missions Assembly shall be held by the Minnesota District Council of the Assemblies of God, unless in the judgment of the Executive Presbytery the church is qualified to hold title to its property. In case the congregation should cease

to exist as a church body and/or ceases to use its property for church purposes, then the property is to revert to and become the property of the Minnesota District Council of the Assemblies of God.

- d) Representation. District Home Missions Churches are presumed to be represented at a General Council and/or District Council by their pastors, provided that the pastor is a Member of the General and/or Minnesota District Council of the Assemblies of God.
- 4) Responsibilities.
- a) Monthly Reports. District Home Missions Assemblies shall send monthly reports to the District Presbyter and the District Office.
 - b) Progress in Status. District Home Missions Assemblies are expected to progress in maturity and growth so as to be able to petition to become District Council Affiliated Assemblies.

ARTICLE VII. MINISTRY

A) Ministry Described. Christ's gifts to the Church include apostles, prophets, evangelists, pastors, and teachers (Ephesians 4:11); exhorters, administrators, leaders, and helpers (Romans 12:7, 8). We understand God's call to these ministry gifts is totally within His sovereign discretion without regard to gender, race, disability, or national origin.

Three classifications of ministry are recognized and transferable among all Assemblies of God districts: the ordained minister, the licensed minister, and the certified minister.

All ordained, licensed, and certified ministers holding current ministerial credentials are authorized to perform the ordinances and ceremonies (sacerdotal functions) of the church in accordance with applicable federal or state laws, providing that credentials are registered with a county in Minnesota. Those holding a local church credential are authorized as provided below.

A fourth classification of ministry, a local church credential, may be provided by a local General Council affiliated church under basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the district council. The local church credential shall be nontransferable (limited to the issuing local church) and shall be limited to two (2) years, unless the credential is solely required for active and ongoing local ministry in a prison, hospital, or institution. A person holding a local church credential can perform the ordinances and ceremonies (sacerdotal functions) of the church if authorized in writing by the senior pastor of the local church issuing the credential.

No other classification of ministry shall be recognized other than those described in this section.

B) Basic Qualifications. The following qualifications pertain to applicants for ministerial recognition:

- 1) Salvation and Baptism. Testimony to having experienced the new birth (John 3:5) and to having been baptized in water by immersion (Matt. 28:19).
- 2) Baptism in the Holy Spirit. Testimony to having received the baptism in the Holy Spirit with the initial physical evidence of speaking in other tongues according to Acts 2:4. The Spirit-filled life will enable a minister to fulfill the fourfold mission of the church.
- 3) Evidence of call. Clear evidence of a divine call to the ministry, evidenced by a personal conviction, confirmed by the work of the Spirit and the testimony of fellow ministers.
- 4) Christian character. A blameless Christian life and a good report of those who are without (Titus 1:7; 1 Timothy 3:7).
- 5) Doctrinal position. A thorough understanding of and agreement with our doctrinal position as contained in the Statement of Fundamental Truths.
- 6) Assemblies of God polity. A satisfactory working knowledge of the principles, practices, and purposes of the Fellowship through a study of the General Council and Minnesota District Articles of Incorporation and Bylaws.
- 7) Voluntary Cooperation and Commitment to the Fellowship. An active loyalty to our constitutional agreements, a cooperative spirit, and a readiness to seek and receive the counsel of older mature Christians and those in positions of authority (Proverbs 11:14).

By voluntary it is meant that, upon learning the principles, doctrines, and practices of the Assemblies of God, and by seeing the benefits to be derived from being associated with such an organization, persons of their own free choice decide to become members, thus subscribing to all that for which the organization stands.

For the minister, by cooperation, it is meant, to the best of one's ability, complying with all decisions setting forth and defining duties and responsibilities incumbent upon members of the organization. It includes active participation and respect for the will of the majority expressed through constitutional process.

Hence, for the minister, voluntary cooperation means that when the minister decides to become a cooperating member of the Assemblies of God, this cooperation and participation thereby becomes obligatory and not optional.

- 8) Basic educational requirements. No specific level of formal academic achievement (diploma or degree) shall be a requirement for credentials; credential applicants shall meet the following criteria:
 - a) All applicants are required to be interviewed by the Minnesota District Credentials Committee and, in preparation for the interview, pass a standard exam approved by the General Presbytery whereby they demonstrate knowledge of the Bible, Assemblies of God doctrines, and ministerial practices, unless an exception is granted by the General Council Credentials Committee or permitted by the General Presbytery policy; and either:
 - b) Successfully complete courses, prescribed by the General Presbytery, offered in correspondence through Global University of the Assemblies of God, or pass the final examinations in the prescribed courses; or
 - c) Successfully complete equivalent training to that indicated above, preferably, in an endorsed Assemblies of God post-secondary school; or in a seminary, college, Bible college, or school approved by the Minnesota District Credentials Committee consistent with criteria established by the General Council Credentials Committee; or
 - d) Be recommended by the Minnesota District Credentials Committee as qualifying for credentials through self-study and ministerial experience. Such candidates shall have a proven and fruitful ministry of substantial duration. Requests from the Minnesota District for such a candidate shall be presented to the General Council Credentials Committee and may be granted on a case-by-case basis.
- 9) Mandatory Screening. All applicants for ministerial credentials shall be screened through a designated screening agency established by the Executive Presbytery. Said screening shall be done by the district council prior to the submission of the application to the office of the general secretary.
- 10) Marriage Status. The General Council disapproves of any married persons holding ministerial credentials with the Assemblies of God if either marriage partner has a former spouse living, unless the divorce is recognized under one of the following biblical categories:
 - a) Recognition of preconversion divorce (2 Corinthians 5:17)
 - b) Recognition of abandonments of the believer by the unbeliever (1 Corinthians 7:10-15)

- c) Recognition of spousal infidelity (Matthew 19:9)
- d) Recognition of domestic violence by a spouse to a spouse or child (Matthew 18:6, Ephesians 5:28-33, Colossians 3:19)
- e) Recognition of ecclesiastical annulment – a pronouncement declaring a marriage invalid as hereinafter provided. In such cases there must be clear and satisfactory evidence of deception or fraud, unknown to the applicant at the time of marriage. Additionally, the lack of consummation or other conditions which have a profound impact preventing the creation of a valid marriage union can constitute an ecclesiastical annulment.

Each case requiring a recognition of divorce or ecclesiastical annulment shall be decided by the Executive Presbytery on an individual basis as to whether the termination of that marriage is consistent with the scriptural position of the Fellowship relating to the granting or holding of ministerial credentials. Appeals of the decisions of the Executive Presbytery may be made to the General Presbytery.

- 11) Eligibility of Women. The Scriptures plainly teach that divinely called and qualified women may also serve the church in the ministry of the Word (Joel 2:29; Acts 21:9; 1 Corinthians 11:5). Women who meet the qualifications for ministerial credentials are eligible for whatever grade of credentials their qualifications warrant and have the right to administer the ordinances of the church and are eligible to serve in all levels of church ministry, and/or District and General Council leadership.
- 12) Ministers from Other Organizations. If a minister from another reputable body desires to affiliate with the Assemblies of God, the credentials Committees of both the General Council and the Minnesota District are under no obligation to accept the applicant's previous ministerial status, but will judge each candidate on his or her own merits as to the level of credentials to be granted. Such applicants shall be required to:
 - a) Conform to Assemblies of God criteria for recognition.
 - b) Complete an application for ministerial recognition.
 - c) Submit a letter of recommendation from a neighboring Assemblies of God minister or the sectional presbyter for the applicant's area.
 - d) Submit a recommendation from the body with which the minister was formerly affiliated. If such is not available, letters of recommendation should be sought from three reputable ordained ministers who are familiar with the applicant's ministry, two of whom should be with the applicant's former credentialing body.
 - e) Pass the credential examination.

- f) Complete such courses as may be prescribed by the General Presbytery for ministers transferring from other credentialing bodies.
- g) Meet with the District credentials committee for an oral interview.
- h) Be recommended by the District credentials committee for action by the General Council Credentials Committee.
- i) All previously ordained ministers so approved shall receive public recognition as ordained Assemblies of God ministers with laying on of hands by the District Presbytery at the next annual District Council. All other applicants so approved shall receive the appropriate level of credential recognition.
- j) Ministers who receive Assemblies of God credentials will relinquish their ministerial credentials with any other credentialing organization, unless an exception is granted by the General Council Credentials Committee upon recommendation of the Minnesota District Council credentials committee for good cause shown and a clear understanding of the priority of the Assembly of God credential.

C) Specific Qualifications.

- 1) Residency Requirements of Applicants. Applicants for credentials must be residents of or hold credentials in the Minnesota District and appear before its Credentials Committee.
- 2) Local Church Credential. A local church credential shall be administered by the local church pursuant to basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the Minnesota District Council. It shall be nontransferable (limited to the issuing local church).
- 3) Certified Minister.
 - a) General Requirements. They shall show promise of usefulness in the gospel work. They shall devote full or part time to Christian ministry and, at the discretion of the Minnesota District Credentials Committee, may remain under the supervision of a pastor or a ministry coach or mentor. They shall show evidence of a divine call and be actively engaged in some aspect of ministry and proclamation of the gospel, except in case of ill health or advanced age.
 - b) Pastoral Requirements. In the event a certified minister is serving in a position as the pastor, he shall be expected to advance to the licensed credential level within 2 years of acceptance of the pastorate. This shall not apply to any minister who has reached the age of 65 or older or whose

certificate has been issued on a provisional basis. Any exceptions shall be at the discretion of the Minnesota District Credential Committee.

- c) Exception for Provisional Issuance. A Certificate of Ministry may be issued on a provisional basis to a person who has not met all the credentialing requirements but who is deemed by the Minnesota District Credentials Committee to be essential to the continuity of a church or a ministry . The reason for such a provisional issuance must be ministry driven, and the justification for its use is terminated when the minister ceases to be involved in the ministry for which it was initially granted, unless he accepts another qualifying assignment. Other limitations are:
 1. The ministry certificate on a provisional basis will be issued for 1 year and shall not be renewed more than two times.
 2. A person who has been granted the Certificate of Ministry on a provisional basis must meet the qualifications for a ministry certificate within a 3-year period.
