And Our Monday Night Musical Guests  
**THE BENSON FAMILY SINGERS**

We are so excited to welcome this year's guest speakers, Dr. G. Robert (Bob) Cook and his wife, Sherilyn.

Bob was ordained with the Assemblies of God in 1975. Since then, their ministry has led them on a vital and varied journey, pastoring in Grand Junction, CO, being part of the faculty and administration at Bethany University, and serving as Superintendent of the Rocky Mountain District. In 2021, the Cooks moved to Missouri, accepting leadership of the Alliance for AG Higher Education.

Now, Bob and Sherilyn serve as leaders of the AG Senior Adult Ministries, providing leadership, resources and encouragement for AG Senior Adult Ministries at both District and local levels.

Bob and Sherilyn have three adult children who are all married and serve as pastors. The Cooks are also thankful for the nine irresistible and extremely talented grandchildren they have been given.

Besides endeavoring to follow the Lord Jesus and to obey the call of God upon his life, Bob also loves to read, play golf, work crossword puzzles, and cheer on his beloved Broncos, Rockies, Avalanche, Nuggets, and Colorado Buffaloes. He has also been known to eat chocolate cake and enjoy the fun that each

*Our worship leader this week is Todd Marshall. The MN District's Worship Arts Director, Todd and his wife, Brenda, have founded Worship is Life Ministries, using the language of worship to challenge and encourage the Church to rise up and love God and love people like never before.*

2024 - and the Benson family Singers are making a return appearance at the MN Second Half Retreat.

Based out of Faribault, Peter and Rachelle, along with their sons, David, Aaron, Luke and Paul, have a unique ministry featuring barbershop, bluegrass and gospel music. They have performed all around the Midwest, using music and humor to proclaim the Gospel of Jesus Christ.

It's going to be a great Monday Night of Music as we settle in to enjoy the music and ministry of the Benson Family Singers!
